EXECUTIVE DIRECTOR'S REPORT

Vince Granato addressed the Commission and audience; his comments covered the following general topics:

- Vince is sitting in for Curtis, while he is on a well-deserved vacation;
- Acknowledged the Port's monthly safety champions and asked Stan Watters for this month's safety message;
- Noted the arrival of the M/V Hoyanger at Terminal 6. The vessel was carrying 437 fifty-three-foot intermodal containers, which required specialized equipment to discharge;
- It was announced last month, but is worth noting again, that PDX was voted Best Airport in America for the sixth year in a row by *Travel + Leisure* magazine readers. The Port sent representatives that have had a big impact on the program to New York to receive the award;

40

- Summer passenger volumes have been tremendous and PDX is setting daily records for passengers and bags;
- Concourse E construction is moving along very well; we will start to see steel coming out of the ground in the next month or so, which will reshape the view as you come up Airport Way;
- Work has begun to construct a new return-to-airport U-turn at 82nd Avenue. Construction will take place late at night, so the impact to Airport Way traffic should be minimal;
- For the second year in a row we are partnering with Feast, the annual food and beverage event in Portland;
- Bangkok Xpress will open in the terminal later this month. Their only other location is a food cart at Rose City Food Park. The PDX food cart program paved their way in terms of finance, capacity and experience;
- Next week Port staff across different fields and jobs will host local high school students for a week of career-related information and experiences;
- On August 15 the Port will join Metro and TriMet at a Taquiza event in Cornelius, hosted by Centro Cultural to discuss projects of interest in Spanish; and
- Congratulations to Donna Prigmore, the Port's Passenger Terminal Experience Senior Manager, on her promotion to Brigadier General in the Oregon Air National Guard (ORANG). Donna is the first female in ORANG to be promoted to the rank of Brigadier general as a traditional part-time Guardsman.
