

PORT OF PORTLAND COMMISSION POLICY

DREDGE OREGON LEASE

POLICY NO. 6.1.6

Approved Commission Meeting of September 9, 1992

In order to reduce the cost of the Federal Channel Maintenance Program and Port construction projects, the Port will make its dredge plant and crew available to other governmental agencies for work on the Willamette and Columbia Rivers.

The charges for the work shall be determined in the manner set forth in the Port's contract with the U.S. Army Corps of Engineers for lease of the dredge OREGON.
