

**MAX Shuttle Bus**

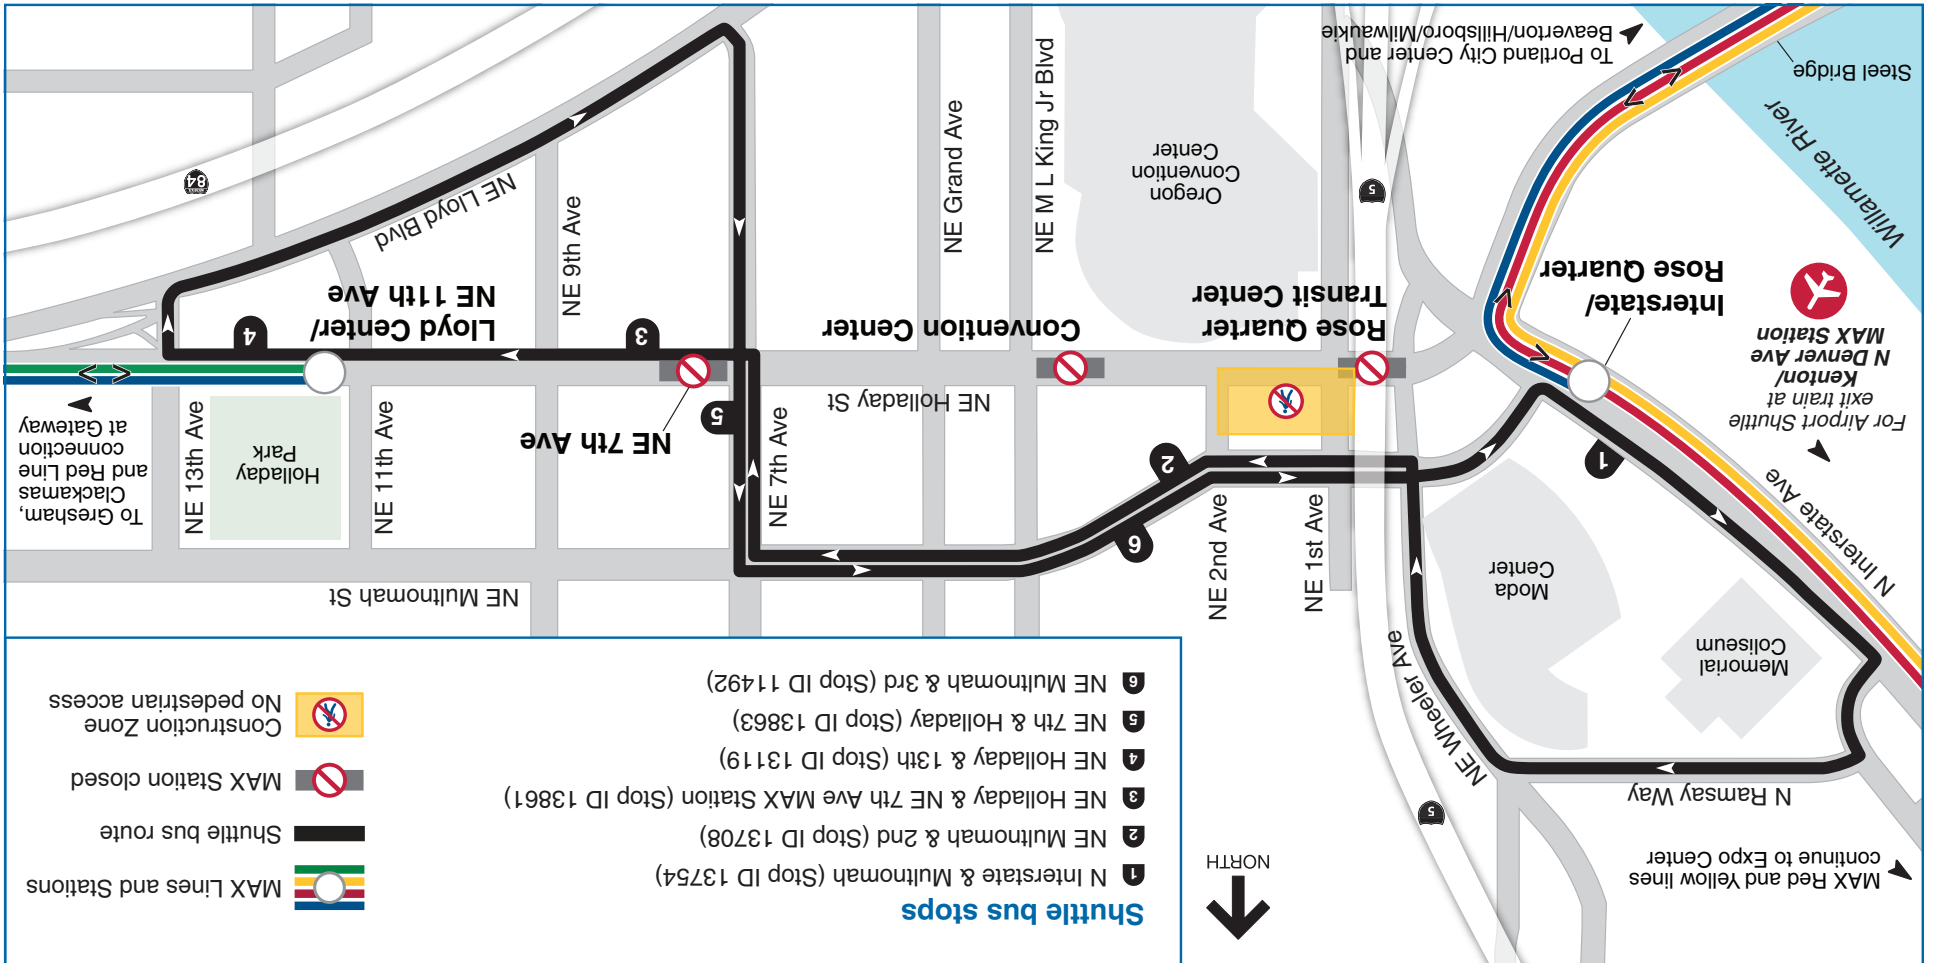

To connect MAX lines heading in and out of Downtown Portland, shuttle buses will run between Interstate/Rose Quarter and Lloyd Center/NE 11th Ave stations, and provide service near the closed stations: Rose Quarter Transit Center, Convention Center, NE 7th Ave

Shuttle buses will run about every 5 minutes throughout the day. Travel time from one end to the other will be about 10 minutes. Make sure you allow extra time. Plan your trip at [trimet.org](http://trimet.org) or call 503-238-RIDE (7433), Monday – Friday, 8:30 a.m. to 4:30 p.m.

During the project, room for bikes onboard MAX will be very limited due to crowding. To prevent extended delays, either cycle the entire way, park your bike at a station, or leave your bike at home during these 2 weeks.
