

Watch What Keeps Us #1 for West Coast Auto Exports (Video)

portside.portofportland.online/2018/04/what-keeps-us-1-for-west-coast-auto-exports/

April 4, 2018

If you drive a Honda, Hyundai or Toyota, it probably rolled off a ship in Portland. Meanwhile, Raptor trucks, Mustangs and Lincolns are cruising to Asia across those same docks. We remain the U.S. West Coast leader for auto exports, boosting local jobs. Imports are growing too. Watch this video to see how we roll.
