Choose from dozens of temptations at Waffle Window food cart, now available in Portland International Airport.

Recipes include seasonal waffles like Pear Nutella; savory waffles, including the Whole Farm; and sweet waffles like Bananarumba. Or how about fried chicken waffles with or without gravy, or ice cream waffles like Darkest Desire? Each celebrates a secret local recipe for waffles inspired by Liege, Belgian-style sugar waffles.

Enjoy all the options next time you fly PDX. Founded in Portland, it's Waffle Window's fourth local outlet.
